# What do the Community Council Do?

**Provide community leadership separate from the Core Team**

**Help to represent community to core team and core team to community**

Peer discussions can improve the dynamic

**Individual Council members set their own priorities (do-ocracy)**

**Help develop, update and uphold policies like:**

Community standards  
IP policy  
Community position on topics in open source

**Lead in:**

Documentation  
Efforts to get major funding  
• 1-click install  
• Possibly to update javascript / frontend  
Evangelizing CiviCRM
